To Whomsoever it may Concern

This is to certify that Mr. Richual Raj, Koorlickal House, Sundernagar, Edappally has been participating in an internship program and fieldwork at the Center of Excellence for Developing Age-Friendly Communities (CEDAC), a division of Managing and Generating Income for Community Services (MAGICS) since August 2024.

During his internship, he has received training in various aspects of developing Age-friendly communities, all crucial aspects of creating a supportive environment for older adults. Furthermore, he has been actively involved in real-world projects, specifically the "Age-Friendly Kochi City" initiative aligned with the World Health Organization's Global Network of Age-Friendly Cities and Communities Framework (WHO-GNAFCC). His participation in this project demonstrates his commitment to improving the lives of seniors and aligns well with goals often found in Age-Friendly community development programs.

In addition to his involvement in the aforementioned project, he has actively participated in all other routine programs offered by MAGICS. This demonstrates his well-rounded approach to his internship and his willingness to learn and contribute across various aspects of the organization's work.

We at MAGICS have been impressed by his dedication, work ethic, and enthusiasm. He is a valuable asset to our team, and we believe he has a bright future ahead of him. We wholeheartedly wish him all the best in his future endeavors.

Warm regards,

Dr. Praveen G Pai
